ProductSheet

HP Color LaserJet Enterprise MFP M480f (3QA55A)

HP's entry-level Enterprise-class Color MFP with speeds up to 28 ppm[10] and strongest security.[1]

Easy to use, simple to manage

HP FutureSmart firmware can be updated with the latest features[2] to optimize your investment for years to come.

The world's most secure printing[1]

The operating code (BIOS) is automatically checked during startup and repairs itself if compromised.

$\label{lem:enhanced} \textbf{Enhanced productivity to empower work teams}$

Give workgroups what they need to succeed with hundreds of HP and third-party solutions and card reader support.

Messaging Footnotes

[1] HP's most advanced embedded security features are available on HP Managed and Enterprise devices with HP FutureSmart firmware 4.5 or above. Claim based on HP review of 2019 published features of competitive in-class printers. Only HP offers a combination of security features to automatically detect, stop, and recover from attacks with a self-healing reboot, in alignment with NIST SP 800-193 guidelines for device cyber resiliency. For a list of compatible products, visit hp.com/go/PrintersThatProtect. For more information, visit hp.com/go/PrinterSecurityClaims

[2] Some features enabled by future HP FutureSmart firmware upgrades may not be available on older devices, if for example, physical product characteristics limit the functionality of the new feature

[10] Measured using ISO/IEC 24734, excludes first set of test documents. For more information, see http://www.hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

Technical Specifications Footnotes

[1] For yield information on the cartridge(s) included with your printer, see http://www.hp.com/go/toneryield. Yield values measured in accordance with ISO/IEC 19798 and continu	ous
printing. Actual yields vary considerably based on images printed and other factors.
